

## Battle of the Iguanas: The Rock vs. The Green

By: Dr. Gad Perry  
October 24, 2013

**Battle of the Iguanas: The Rock vs. The Green**  
**Dr. Gad Perry**

**Thursday 24th October, 2013**  
**7:30p.m.**  
**Eileene Parsons Auditorium**

A presentation by Dr. Gad Perry, of Texas Tech University, describing the BVI's endangered rock iguana and the problem of invasive green iguanas.

**Biographical statement:**  
Dr. Gad Perry is an Associate Professor of Conservation Biology and the Director of the International Center for Arid and Semiarid Land Studies at Texas Tech University. His work focuses on endangered and invasive species, and much of it involves reptiles and amphibians. He has been conducting research in the British Virgin Islands since 1993.
